WORK EXPERIENCE

Apple

Aug. 2021 – Present

Material Handler III – Repair

Sacramento, CA

- Apple is an American manufacturer of electronic devices surrounding computers, smartphones, tablets, etc.
- As Material Handler III, my current assignment is to work in the Repair department for one year under employment of the temporary staffing agency, Volt Workforce.
- Testing, troubleshooting, and repairing devices by referencing and inputting CompTIA fail codes into databases.
- Scanning, packing, and handling units, parts, and components.

Domino's

Nov. 2019 – March 2020

Delivery Driver

Lake Forest, CA

- Domino's is one of America's largest pizza chains with thousands of locations across the U.S.
- As a Delivery Driver, my responsibility was to deliver orders safely and on time by each estimated delivery.
- Preparing orders for delivery by gathering food and drinks, delivering, then handling receipts or cash.
- Taking phone, takeout, or delivery orders via the cashier.

Hot Crab

Aug. 2017 – August 2018

Server

Dublin, CA

- Hot Crab is a seafood restaurant offering spicy, Louisiana-style specialty dishes and sides.
- As a Server, my responsibility was to bring out and prepare orders for customers dining in and taking out.
- Preparing tables for individual customers or parties, then managing their foods, drinks, and receipts.
- Taking phone, takeout, or dine-in orders via the cashier or by hand.

EDUCATION

University of California, Irvine

June 2020
