Summary

25 years of ministry experience as a Pastor. Skill-set includes pastoral care, counseling, teaching, directing and budgeting. Recognized strengths include effective communication in all forms, positive interaction with both the public and parishioners and utilizing time management skills. My experience working closely with and building strong positive relationships with church leadership, the public and co-workers will help me to function well in a Hospital setting.

Experience

Pastor

1993 - Present

Calvary Chapel

- Pastored churches in England, Romania, Canada & U.S.
