EXPERIENCE

DeepLand LLC, Renton -- Courier

June 2020 - Present

Responsibilities included: Maintaining a safe work environment for myself and others by cleaning my equipment daily and practicing safety regulations. Keeping to a tight schedule and ensuring my systems stay organized throughout the day. Accurately cataloging deliveries and making notes of any issues along the way.

Lamps Plus Inc, Tukwila — Assistant Manager

July 2019 - April 2020

Responsibilities included: Managing a team of sales people and stock workers to meet sales objectives and bonuses on a daily, weekly, monthly, and quarterly basis. Listening to team members, management above, and acting in the best interest of both parties to keep the environment a happy, safe place to work and shop, cleaning and stocking associate areas as well as shopping areas for the customer, keeping inventory in check and minimizing shrink through LP practices.

Spencer's Gifts, Tukwila — Assistant Manager

November 2018 - July 2019

Responsibilities included: Managing a team of individuals to meet sales objectives on a daily, weekly, monthly, and quarterly basis. Listening to team members, management above, and acting in the best interest of both parties to keep the environment a happy, safe place to work and shop, cleaning and stocking associate areas as well as shopping areas for the customer, keeping inventory in check and minimizing shrink through LP practices.

New York Life, Anchorage — Registered Representative

November 2015 - July 2018

Responsibilities included: Independent time management, interpersonal social skills, proficiency with multiple CRM (customer relation manager) systems, building and presenting plans for clients, setting up client meetings daily, answering phones and sending out phone calls consistently, keeping a detailed schedule, working with the team to achieve mutual goals and outreach.

AWARDS

Rookie of the Month May 2018
- New York Life

Agent of the Month May 2018
- New York Life

EDUCATION

Houston High School,
Houston, AK — High
School Diploma 2010

University of Alaska
Anchorage, Anchorage,
AK — Some College
Completed

August 2010 - August 2012

I went to university for a Computer Science Engineering degree, but ran out of money before completing my Bachelors. I fully intend on returning one day to finish my degree and get a minor in Accounting.
