203-832-6376

## Summary:

Positive attitude, strong work ethics, quick learner, efficient worker, detail-oriented, perform under pressure, ability to work with little supervision, good customer service, have good review from supervisors. Recently moved to San Francisco for family reasons.

## Professional experience:

### **Encompass Digital Media**

**Stamford, Connecticut**

*Master Control Operator*

02/2018 - 11/2021

Supervisor: Andre Jean-Francois, [afrancois@encompass.tv](mailto:afrancois@encompass.tv), Reference: Ditbardh Kulla, 917-488-0285

- Responsible for maintaining quality broadcast by monitoring on-air and cable broadcast signals, enforcing the program logs to air programs and breaks, monitoring and controlling the transmitter output, and resolving any on-air issues under pressure
- Maintained on-air integrity for both video and audio functions and the continuity of the contents for up to 30 networks at the same time
- Actively prevented and solved problems and helped to contain crisis before issues escalated; had excellent communications with supervisors and other operators if they need to be involved to solve the issue
- Edited and managed on-air logs, playlists and server hardware; took time to preview the playlists, reported any equipment issues and transmission discrepancies to ensure a smooth operation before the scheduled broadcast
- Assisted in assuring compliance with applicable regulations and collaborated with other departments
- Worked on-site full-time during the entire Covid period as an essential worker

### **Chelsea Piers**

**Stamford, Connecticut**

*Lifeguard*

2015 - 2018

- Worked at a premier gym as a lifeguard and maintained the safety of the patrons
- Paid special attention to youth in and around the pool
- Noticed and stopped multiple incidents before issues started to escalate; handled all incidents in a manner according to proper training and procedures; successfully solved situations that involves people with difficult personalities
- Routinely tested the water, recorded results and reported any issues to the supervisor

Supervisor: Jamie Barone, [Baronj@chealsepiersct.com](mailto:Baronj@chealsepiersct.com)

### **Tod's Point Beach**

**Greenwich, Connecticut**

*Open Water Lifeguard*

2014 - 2017

- Open Water Lifeguard at top beaches in CT, including Tod's Point, Byram Beach, Island Beach and Great Captains
- On alert at all times during the shift to prevent and solve any issues. No major incident during my tenure as a lifeguard
- **Supervisor:** Jen Hanson, 203-536-9006

### **New Canaan Animal Hospital**

**New Canaan, Connecticut**

Hospital Assistant -- Kennel Staff

2010 - 2015

- Followed process and procedures for admitting patients. Provided high-quality care and customer service to dogs and their owners
- Recognized and escalated emergency situations, performed first aid for emergencies
- Prepared, dispensed and administered medications and vaccines; Collected blood, prepared tests for labs as instructed
- Strictly followed and enforced the clean protocol for myself, work areas, and equipment
- **Supervisor:** Paul Potenza, 203-966-1627
