

# Lonnie Davis

## IT Tech and Video Production Specialist

Las Vegas, Nevada – (213) 222-8241

### Personal Statement:

I am a dedicated, motivated, and focused individual who's aim is to strive for excellence. I have vast skills and experience involving the film industry with a focus on cinematography. I have also learned plenty of IT skills along the way. I never stop growing or learning and I seek challenging environments. I can work well in any situation and my involvement will ensure success. I am looking for a position where I can excel and be of tremendous benefit.
