ABOUT ME

As a multidisciplinary Graphic and web designer, with eight years of professional experience in branding and social media marketing, creating design solutions using Adobe Creative Suite software, I have a solid understanding of the principles and elements of graphic design. I'm currently looking to obtain a position in the field of Graphic Design.

EXPERIENCE

October, 2021-present

Graphic Designing Embedded Tutor College of the Canyons

Assisting students with projects to provide students with individualized support and challenge which will stretch their potential to the full understanding of the Adobe application.

Jun, 2021-September, 2021

Web Design intern

KHTS- Home Townstation

Created the design and layout of a website and web pages, by using WordPress. Manage clients' posts on the website using SEO.

Jun, 2021-September, 2021

Graphic Design intern

Intersect /GMD

Collaborating with other team members to build a website for a marketing agency. Researching and applying innovative solutions for the design, visuals, and user experience to meet the needs of the client.

Feb, 2021 - Jun, 2021

Graphic Design intern

KHTS- Home Townstation

Created, and managed the digital advertising for KHTS platforms, and designed some logos for clients.

Oct, 2019 - Jun, 2020

College Assistant

College of the Canyons

Managed the department's digital advertising. Assisted in office organization.

Jan, 2016 - Jan, 2018

Intermediate Graphic Designer

HMT0 Candy's factory

As a package designer guides the design process from beginning to end. Create design, and execute a prototype for attention-grabbing packaging materials, using design elements such as shape, color, graphics, and typography to create packaging that is functional and appealing to customers.

Sep, 2013 - Oct, 2015

Junior Graphic Designer

Foto Express "Nikon"

Help to develop a brand identity that conveys a specific idea or feeling to customers. Encompass developing and overseeing a wide variety of advertising, marketing, and content creation strategies, including social media.
