## EDUCATION

09/2018 -05/2021

**Bachelor's of Science, CSU Dominguez Hills**

## SUMMARY

I am someone who has always been interested in technology and is constantly trying to learn new things. Recently, I have been working on getting my A+ Certification in order to broaden my knowledge base. At my last job, I originally applied for a data entry job but ended up having to adapt and learn how to do other things.

## SKILLS

<b>Computer Skills</b>	Intermediate
<b>Critical Thinking</b>	Intermediate
