EXPERIENCE

QUALITY ASSURANCE 1 @ MICROSOFT TESTX

Experis Games Solutions, Redmond, WA / Jul 2019 - Nov 2020

- Worked under the TestX team to help bring the Xbox Series X to the public.
- Logged around 5 unique and detailed bugs daily in an internal company tool to decrease severe bugs ensuing in the release to maintain high public consumer relation.
- Transferred from in office work to remote testing seamlessly with excellent time management, while helping others get accustomed to the new working environment as well.
- Trained multiple testers to maintain consistent testing procedures and reduce error when testing by 15%.
- Assisted over 5 teammates daily with unusual software issues, testing questions, and helped prioritize tasks to complete tasks efficiently prior to deadlines.

TEACHERS ASSISTANT

Puget Sound Skills Center, Burien, WA / Jun 2016 - Jul 2016

- Aided in teaching game programming to a summer game development workshop.
- Answered students questions pertaining to game development and programming with c#.
- Assisted in enforcing curriculum in game development.

PROJECT MANAGER INTERNSHIP

Foundry 10, Seattle, WA

- Directed project deadlines for a team of 4 and held weekly meetings to evaluate team progress.
- Acted as a mediator for team conflicts providing mutually beneficial solutions.
