**Profile**

I'm a professional **Graphic Designer**, and I provide cutting edge and versatile creative services - design that makes heads turn, bodies move and puts people in the seats. Some notable companies that I've worked for include: Hyundai, POV Entertainment, Panda Restaurant Group, Red Bull Beverages, Dole Foods, Boeing, Prudential, Colliers International, Arixa Capital, WHSB Law, DR Horton Homes, Russ Brown, Coldwell Banker and Skechers. I've also worked on projects for celebrity cosmetologist Nurse Jamie Sherrill, Dokken / Lynch Mob guitarist George Lynch, Steve Vai and the Generation Axe project, and fitness expert/model Paige Hathaway. Activating the Time Flux Capacitor, you can also find some of my movie poster design projects featured on the Internet Movie Poster database site (IMP).
