Chico CA • 1999  
**Bachelor of Arts**  
Communication Studies

## PROFESSIONAL SUMMARY

Front-end developer and designer experienced in responsive design using HTML, CSS, and JavaScript. I have strong knowledge of frameworks such as Bootstrap and content management systems Wordpress and Squarespace. Proficient with Photoshop, Lightroom and XD. I have some experience with PHP and React JS. Skilled in designing, developing and testing multiple web-based applications incorporating a range of technologies. Currently freelancing, but looking for an employment opportunity to help mentor my skills to the next level. In my free time I enjoy traveling, cooking and photography.
