## WORK EXPERIENCE

### **2017 – Present**

I have been enrolled in school full time while doing gig style work in different fields of specialization. I do paralegal work for Ext Legal.com where I handle personal injury claims from the beginning, intake of clients, to the end, the composition of demand letters to insurance companies. In addition, I have

worked for Cruz Designs, dealing with demolition, installations, low voltage work and logistics. We focus primarily on remodels of apartment complexes and homes.

#### **1997 - 2016**

I worked in the full-service hospitality business starting with Applebee's and bringing my career to an end at the Pacific Dining Car, Santa Monica. I have worked at every position in a restaurant while my primary focus for 20 years was behind the bar. I worked in at least 20 restaurants and handled inventory, open and closing duties, cash handling, credit card reports, light bouncing, heavy cooling, & superior customer service. I also did off-premise catering and bartending.
