Wireframing

Hello! My name is Nicole. I am a skilled graphic designer with strong knowledge of design elements. I have excellent written and verbal communication skills both in English and Tagalog, but I am also working on improving my Spanish comprehension. I've enjoyed spending the past few years being a freelance graphic designer working on various types of projects, both digital and print.

EDUCATION

CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS
Carson, CA

May 2015

Bachelor of Arts in Art, Concentration in Graphic Design,
Motion Graphics Minor

EXPERIENCE

DG COTERIE, LLC

Independent Contractor

June 2017 - February 2019

- Collaborated with fellow designers to create digital content for email blasts, tv slides, flyers, and promotional ads under the direction of DGC
- Assisted with the preparation of print-ready files
- Assisted with branding projects that include logo iterations, color palette exploration, and mood boards
- Edited images as well as creating vector illustrations

FREELANCE GRAPHIC DESIGN

May 2015 - Present

- Logo design
- Invitation design
- Character design, color exploration
