| | | |
|------------|--|---------------|
| Education: | Western Governors University, MBA | November 2014 |
| | California State University, Dominguez Hills, BA Geography | December 2002 |

| | | |
|-------------|-----------------------------------|---|
| Experience: | <i>ABODA by Reside</i> | <i>Purchasing and Inventory Manager</i> |
| | <i>February 2016 - March 2020</i> | <i>Woodinville, WA</i> |

My role with this rapidly expanding company was to improve operational efficiency, reduce supply and housewares costs through strategic purchasing and inventory management, and process improvements and cross-departmental solutions in the storage and movement of product - all while coming in under budget across the board. In 2018 I was awarded the Pride in Leadership award for innovation and teamwork throughout the organization. I was promoted from Assistant Warehouse Manager in April 2019.

| | |
|-----------------------------------|---|
| <i>Pat's Offroad</i> | <i>A/P, A/R, Office and Fleet Support</i> |
| <i>April 2014 - February 2016</i> | <i>Williston, ND</i> |

My position with this energy industry leader was to manage its existing business accounts, maintain records, licencing, tools, maintenance schedules and more for the fleet of over 60 heating vehicles. I automated the company's billing processes and created visibility on outstanding tickets as well as weekly projects for the owner of the company where we focused on centralized management while expanding the company's reach into new markets in PA, WY, and CO.

|------------------------------|-------------------------|
| <i>Zodiac Aerospace</i> | <i>Shipping Manager</i> |
| <i>May 2013 - April 2014</i> | <i>Marysville, WA</i> |

| | |
|----------------------------------|---|
| <i>Randy's Ring & Pinion</i> | <i>Second Shift and Inventory Manager</i> |
| <i>May 2011 - May 2013</i> | <i>Everett, WA</i> |
