About Me

Hola! My name is Uriel Espino and I am a graphic designer that loves objectively break down people's problems and solve them. When it comes to design, I believe that it should be purposeful, functional, and relevant to its original objective. In my spare time you can catch me fiddling on ableton/guitar, gaming it up, attempting to fish, or just relaxing, hanging out with friends.

Education

Bachelor of Fine Arts

Central Washington University
Fall 2016 - Winter 2019

Experience

Four Bears Casino & Lodge Events Summer Internship 2019

Created various collateral for numerous events throughout the summer ranging from concerts, rodeos, yacht rides, giveaways, and other casino related events.

Freelance Designer

2019 to present

Worked with various small companies and organizations over the years to create and deliver logos, branding assets and posters.
