EXPERIENCE

ZIPLINE GUIDE

CANOPY TOURS NW | AUG 2015 - AUG 2019

As a zipline guide, I was responsible for the safety and well being of up to 12 participants, ranging in age and physical condition, for at least a 2 and a half hour length of time across 6 ziplines. I was capable of repelling from heights of 50 feet, as well as other rescue maneuvers in case of emergency. I also co-managed and took photos for the social media profiles of Canopy Tours Northwest starting in December of 2018.

ASSEMBLER

ESSTAC | JAN 2019 - MARCH 2020

As an employee of Esstac my duties varied from day to day. Oftentimes I was assembling products or taking inventory. Other days I would be helping out the packaging crew if they were behind on a large order, or helping others cut fabric to appropriate dimensions. During my time at Esstac, I successfully trained 3 people how to use the power tools needed to assemble products.

INVENTORY SPECIALIST

FUNKO | NOV 2020 - MARCH 2021

Working as an inventory specialist at the Funko warehouse I am largely responsible for taking a count of all the items on the shelves and, using Microsoft NAV, I ensure that the database is up to date and that every Pop is in its correct bin location. I would also have to locate lost items and direct coworkers on where to find items if they were missing.

PHOTOGRAPHER / SOCIAL MEDIA MANAGER

CAMPBELL AUTO GROUP | MARCH 2021 - PRESENT

My role at Campbell Auto group consists of photography, design, and social media. I am in charge photographing the entire inventory of vehicles for all 3 of Campbell Auto Group's dealerships. After shooting inventory photos I upload them to the Units interface which allows customers to see the cars online. I am also responsible for all things social media. I create content and upload to Facebook/Instagram/Google Business. The majority of posts are my own photos and designs.
