Cameron Ware

Monrovia, CA| 376-7251 | cameronware@me.com

Professional Summary

I am currently a professional swim coach looking for a career change into IT. Through my years of coaching I have learned leadership, and how to effectively communicate with people from all educational, socio-economic, and religious backgrounds. Personally, I have built gaming PC's for the last five years, am currently self-studying for the CompTIA A+, and am enrolled in a CCNA program at my local college.
