  Dell, HP, Supermicro, IBM
. Vendor Management
. Document/Resource Management

2012 -2016   IRI   DAYAGROUP - *Systems and Network Administrator*
· Senior network and systems administrator
· Planning, Installing, maintaining systems and networks (Over 1500 stations)
· Implement network infrastructure using Cisco 3750 stacks for core networking and 2960s for access
  layers. Kerio Control fot UTM
· Implement MSAD, MSExchange 2010, MSSharepoint 2013, MSCRM 2013
· Point to point wireless connections for branches up to 30 Miles distance
· IPSec tunnels for branches
· Support and uptime assurance of over than 1500 nodes

2012 – 2016   IRI   Freelance/Contractor – *Systems and Network Administrator*

2011 – 2012   IRI   RKM MSP - *Network Administrator*
  · Onsite/offsite installation, maintenance, administrating and troubleshooting

2010 – 2011   IRI   Freelance/Contractor - *Microwave Technician*

2009 – 2010   IRI   PASARGADNET - Microwave *Technician*
  · Setup and configure point to point and point to multipoint wireless links

Skills and Experiences

Installations
· Cat 3-5-6-SFP Cabling,
· Datacenter design and Installation
· IPKVM, UPS, IPPDU

Microsoft
· MS Windows Server 2003-2008-2012-2016
· AD-LDAP-IIS-ISA-RRAS-DNS-DHCP
· MS Exchange 2007-2010-2013, Office365
· MS CRM 2011-2013-2015
· SharePoint 2013-O365
· SQL 2005-2019
· O365
· Azure

Servers
· Dell, HP, IBM, Supermicro, Compaq

Srorage
· Dell, HP, LSI
· Equallogic, EMC, Qnap, Synology

Infrastructure Networking
· switching and routing
  Cisco, Dell, HP, Meraki, Ubiquiti

Network monitoring and patch management
· Solarwinds N-Able

Virtualization
· VMware 4.1- 6.7
· Hyper-V 2012-2019

Firewalls
· ASA, Sonicwall, Meraki, FORTINET, Mikrotik
· KERIO-ISA-TMG-Untangle

Wireless
· Ubiquiti, Meraki, Cisco, Mikrotik,
· Ekahau site survey

Backup solutions
· Veeam, Altaro, Veritas, Microsoft

CERTIFICATES

MCSE 2003, MCSE Messaging 2010, CCNA 2010
